

# Recipes For Bees

## FEEDS

### **Sugar syrup:**

#### *Stimulant feed*

1 pound sugar for each pound of water (4 lbs sugar with  
½ gallon of water)

#### *Sustenance feed*

2 pounds sugar for each pound of water (8 lbs sugar  
with 2 quarts water)

### **Candy:**

#### *Sustenance feed*

made in a tray (20 x 16" with trim)

2 cups water with 5 lbs sugar brought to "hard ball"  
stage while stirring

pour in tray and let harden

### **Grease patties:**

2 parts table sugar for each part pure vegetable shortening (6 lbs  
sugar with 3 lbs Crisco shortening)
