**REGULATIONS ON THE SALE OF VEGETABLE, GARDEN, TRUCK, & STRAWBERRY PLANTS**

Any person selling, offering for sale, or transporting for sale any vegetable, garden truck and strawberry plants for planting purposes within the State of Arkansas shall meet the following requirements:

1. Plants grown in soilless media are exempt, only plants grown in media containing native soil are required to be inspected
2. Sale in bulk is prohibited except at production site to a local consumer
3. Sales must be made in containers which have been conspicuously labeled to show the grower's:
  - a. Arkansas State Permit Number
  - b. name and address of the grower
  - c. varietal name
  - d. number of plants per bundle
  - e. number of bundles in the container

If sold in flats, or as individual plants, the bundles and containers count would not apply.

**NOTE:** Labeling would not apply if sold from greenhouse directly to local consumer.

4. ARKANSAS PERMIT NUMBER will be assigned upon receipt of application. Plants may not be sold until after they have been inspected. Permit Number may be cancelled anytime plants are found to be infested with insects, diseases, or noxious weeds.

5. **FEES:** See Table 1
