

SEED COMMITTEE

AGENDA

December 10, 2015

3:30 pm

Arkansas State Plant Board offices
1 Natural Resources Drive
Little Rock, AR

1. Review of Seed Enforcement actions taken since the last Seed Committee meeting. The Case Development Review Panel has reviewed some seed violation incidents and recommended warnings or informal hearings. These need to be reviewed by the Committee for their recommendation to the Full Board.
2. The Seed Committee Members or Staff may have other business they wish to consider.
